RISD School Owned Instrument Guidelines

- Students in band and orchestra, grades 6-12, are required to provide an instrument. The maintenance, repair and insurance against theft or damage of these personal instruments are solely the responsibility of each student.
- In band, grades 6-12, the District has a limited number of instruments that may be available for an annual usage fee of \$100.
- The following instruments may be available for band students to use: piccolo, oboe, bassoon, bass clarinet, tenor saxophone, baritone saxophone, French horn, bass trombone, euphonium, tuba, and ensemble percussion instruments.
- The following instruments may be available for orchestra students to use: violin, viola, cello, bass and harp.
- The instrument usage fee for school owned instruments is \$100.00 per year. All students (including percussionists) who play school owned instruments will be charged \$75 per year. This is a very minimal fee considering that most of the school owned instruments cost several thousand dollars each.
- Band students must provide their own personal accessories such as mouthpiece, drum sticks, and reeds.
- Orchestra students must provide their own personal accessories such as rosin, shoulder pad, mute or rock stop.
- In addition to the usage fee, students are responsible for maintenance, repair and upkeep of the instrument.
- Students and parents need to be diligent regarding instrument maintenance to keep the instrument in top playing condition.
- Instruments must be returned at the end of the school year in the same condition as issued, minus normal wear and tear. Any costs associated with damage from negligence or malicious intent will be assessed to the student and parent.
- RISD does not provide insurance coverage for damage/theft of school instruments. It is the responsibility of the parents and student for the full replacement value of the instrument should it be damaged beyond repair or stolen while issued to the student.
- It is strongly recommended that all school owned instruments be insured through your homeowner's policy or a private company. The school district will not assume liability for maintenance, repair, or damage of school owned instruments while they are checked out to a student.
- The instrument will be inspected at the end of the year or any time during the year for damage and the student must pay for any repairs.
